ENHARMONIE

MARJORIE BETTINGER
INDEPENDENT SOCIAL WORKER
FRENCH LANGUAGE TRAINER

FOR A SUCCESSFUL SETTLEMENT IN FRANCE

As an independent social worker, I offer remote support before and after your employees' relocation to France. Expatriation can present personal and professional challenges, including administrative procedures, cultural adaptation, access to rights, and life balance.

My role is to anticipate and manage these difficulties by providing personalized support, ensuring a smooth transition and successful integration. Through compassionate guidance and practical solutions, I help your employees maintain their well-being and balance, fostering greater personal and professional harmony.

Administrative Support

- Visa Application Assistance
- Subscription to Various Insurance Plans
- Registration with Social Security
- Support in Finding Housing
- Guidance and Support for Children's School Enrollment
- Assistance in Accessing State Financial Aid

Social Guidance and Counseling

Active listening and emotional support for your employees to help them overcome the challenges of adapting to a new life. I am here to reassure them and assist in managing stress and anxiety related to their new situation.

French Language Trainer

Holder of a French language trainer diploma, I offer French courses tailored to your employees' levels and needs, whether in group or individual sessions.

Feel free to contact me for more information or to request a quote.
